**For Judicial Delegate
Assembly District 36**

It is truly the honor of a lifetime for me to accept my position as democratically elected Judicial Delegate in Assembly District 36. I am incredibly moved by and thankful to the 3,773 voters from my community who believe in the power of our democracy and who have put their trust in me to represent them. I made it my mission during this campaign to talk to every single voter who was willing to engage with me. I made it my mission to make sure every voter knew they had a voice in our local democracy. As your newly elected Judicial Delegate I plan to ensure, above all else, that your voice is heard.

I firmly believe in the power of the people, when we come together we can absolutely create meaningful change. In being part of a people powered movement, I am incredibly thankful for all those who have supported me; especially New Reformers, Ana María Archila, Zohran Mamdani, Lauren Ashcraft, Rana Abdelhamid, Maria Ordoñez, and Maria Kaufer.

Community has always been and will continue to be a priority in my work as your newly elected Judicial Delegate. To my community- especially Doreen Mohammed, Nomiki Konst, Nick Haby, and my New Reformers slate who spent hours by my side hitting the pavement and talking to voters, Daniel Lehrhaupt who has been a trusted advisor, Tanbir Chowdhury who played an integral role in my creative design process, and the many many more who have shown up for me. Thank you.

In Solidarity,
